

Philip blows on the meat to cool it down, then takes a tentative bite.

PHILIP

Did you know I kept dreaming about you after I chatted you up for the first time? Well, actually I was also daydreaming all the way when I traveled here.

Sarah harrumphs.

SARAH

I wonder what kind of dreams those were. You watch too much YouPorn.

Philip pokes the fire.

PHILIP

Actually, I don't. Watch porn, I mean.

SARAH

Right.

PHILIP

No, really!

SARAH

What, do you mean to tell me that you are gay? There are gay porns on YouPorn as well ...

PHILIP

Eh - no, I'm straight, I think. No, that's not what I meant.

He glances around him.

SARAH

We are up here by ourselves.

PHILIP

I just don't quite know how to put this.

SARAH

Well, how about -- straight from the start?

Philip takes a deep breath, collects himself.

PHILIP

I never had sex.

SARAH

I figured as much. You're a virgin. So?

PHILIP

Uh - it's not just that. I mean, I like looking at women just like any other guy, but ...

SARAH

....But?

PHILIP

I suppose I'm a prude.

SARAH

Ah, so you don't like talking about sex? Or do you just not like it if people say the F-word? Or the P-word? PUSSY. FUCKING.

PHILIP

No, no ... it's ... I want to watch it, but ...

SARAH

It?

PHILIP

Porn. Sex.

He grins.

PHILIP (CONT'D)

Pussy. Fucking. But ... I just can't. I crave it. I'd like to see it, but whenever I am on one of these sites, I immediately switch away, feeling guilty ...

SARAH

Oh, that's just poor.

PHILIP

Well, what do you expect from someone like me?

SARAH

Someone like you?

PHILIP

An ugly computer nerd whose only way of dealing with his classmates is by pretending he has a chronic injury?

Sarah smiles.

SARAH

Actually, I thought you were kind of cute.

PHILIP

Ha ha.

He checks the skewer with the sausage on. Starts to say something, then stops. And starts again.

SARAH

Oh great. Now comes the million dollar question.

PHILIP

Well ... have you had a boyfriend yet?

SARAH

I haven't. But that's not the question.

PHILIP

It's not. So I'm guessing that you haven't had ... sex yet either?

Sarah crosses her arms.

SARAH

Ah, so nowadays it is necessary to have a boyfriend to have sex?

PHILIP

Eh-

SARAH

Well, I don't know what it's like in the village that you come from, but over here, no, not many people believe in no sex before marriage.

PHILIP

That's not what I meant.

SARAH

I know.

PHILIP

So ... you have?

SARAH

And if I did?

PHILIP

Then - nothing.

Sarah sighs.

SARAH

Yes, I've had sex already.

PHILIP

With who?

(continues hastily)

You don't have to tell me if I am being too nosy.

SARAH

You are being too nosy.

PHILIP

I know, I know ... it's just ...
how was it?

SARAH

The inflatable sex doll? Oh, it
was great. I was going at it for
hours...

PHILIP

Really??

SARAH

Sure! The one I used was a rubber
horse. But I also have rubber
sheep and rubber dogs at home ...

PHILIP

Eh -- very funny.

SARAH

Dumb questions deserve dumb
answers.

PHILIP

I was asking a serious question!

SARAH

But one that is none of your
business.

PHILIP

I just wanted to hear from someone
with ... experience what it is
like.

SARAH

Overrated.

PHILIP

That bad? Then why does everyone
want it so much?

Sarah shrugs.

SARAH

The ultimate meaning of life, I
guess. The ultimate goal.
Procreate.

PHILIP

That can hardly be the ultimate
goal. I mean, it's a great goal
for rabbits, but not for us!
